

SEVA EDUCATION

NEW SCHOOL BROCHURE

Forming part of the Seva Education, Primary and Secondary School campus is an educational facility building of 9,767 sq ft together with hard and soft surface playgrounds, large gym, canteen, and natural therapeutic green environment including the Forest School and Allotments. Our new site supports us to continue to meet our students needs within our ASD and SEMH wing by enhancing our students overall school experience. The new building naturally allows a clear separation of each wing.

DESCRIPTION

The facility forms part of an existing primary school which will share the school gate entrance and staff car park with the Welldon Park Academy. Seva Education's new school site has complete separation from the Welldon Park Academy with an independent reception entrance for our cohort of students and staff which provides clear site separation.

The accommodation is predominantly arranged on ground floor level and provides 6 large classroom spaces, each benefitting high ceilings and excellent natural light.

LOCATION

South Harrow lies approx. 14 miles North West of Central London and forms part of the London Borough of Harrow. The area also closely borders the boroughs of Brent, Ealing and Hillingdon, offering a wide and diverse educational catchment area.

South Harrow is easily accessible by road and public transport. The A40 is close by via the Target Roundabout junction which provides a fast route to the M40 corridor, M25 and A406 North Circular. South Harrow underground station (Piccadilly Line) offers a fast service to Central London.

Seva Education is located on the Welldon Park Academy school site on Kingsley Road, which is approached via Wyvenhoe Road, leading directly from the main thoroughfare of Northolt Road, South Harrow.
